The Grandmaster - Mantis Movement Set Full Crack [License]

Download ->>->>->> <http://bit.ly/2T0txut>

## **About This Content**

This DLC is similar to the Mantis martial arts style, and you can decimate opponents with it.  
Beat down those silly ninjas with a fun mantis playing style.

\*This DLC is a set of fighting animations and purely cosmetic. It doesn't give any advantages in the game whatsoever, but it is always a nice way to support us

---
